OASI number (13 digits): . . .

I hereby revoke my consent to the electronic patient record held by Post Sanela Health Ltd (operator organisation of the Sanela reference community).

Revocation of the EPR results in the deletion of all documents in my EPR but not in the deletion of the original documents in the practice and clinic information systems of the healthcare institutions. We recommend that you download and save all documents before revoking your consent.

You can set up a new EPR at any time after a revocation. During this process, you will be assigned a new patient identification number. Your new EPR will not contain any documents when you set it up.

Your revocation declaration will be kept for 10 years.

Enclosure:
