

Set up your EPR now – irrespective of when and where

With the EPR, you can access your health data
anywhere at any time.

**Sanela –
focus on
health**

Post Sanela Health AG

Please have the following ready when setting up your EPR digitally:

- Your biometric passport or identity card
(Switzerland or EU/EEA; exception: German identity card)
- Your smartphone

You're all set:

Use the following **QR code**
to set up your EPR:

Note

You must be at least 18 years old to set up an EPR.
If you are below age 18, please visit our
website **post-sanela.ch** for information
about how to proceed.
